

Dr. Ismail Ali

St. Martin de Tours Award for Excellence in Performance (Second Class)

Citation:

Dr. Ismail was appointed as a faculty member in June 1990 after completing his BBA program of Assumption University with honours of the "Magna cum Laude" category. He pursued further studies at the Graduate School of Business and at De La Salle University, Philippines and secured the MBA and DBA degrees in 1991 and 1998 respectively on scholarships awarded by Assumption University.

Dr. Ismail is the coordinator for finance related subjects of the Graduate School of Business and co-chairperson of the Thesis Committee. He has been a regular re- source person for the Continuing Education Centre of the Asian Institute of Technology since 1998 and a recipient of many accolades and certificates of recognition from the management of this renowned institution.

Dr. Ismail is also a regular lecturer in the advanced management and mini-MBA programs for senior executives organised by the Business Training and Consultancy Centre of Assumption University. The trainees under these programs included officials from such organizations as Bangkok General Hospital, Siriraj Hospital, Professional Services Co., Ltd., Caltex Thailand, etc.

Dr. Ismail often takes a didactic approach to life and while he mixes freely with students and fellow teachers, he is always cordial and courteous, ready with advice and suggestions to help in solving tutorial problems and other pedagogic matters relating to courses of study etc.

For all his contributions, good work and beneficial services to his students and colleagues alike, the administrators are pleased to confer the St. Martin de Tours Award for Excellence in Performance (Second Class) on Dr. Ismail Ali in the Christmas Honours announced on December 24, 2005.
