

## ACKNOWLEDGEMENT

Many important and significant individuals have helped me to complete my studies in Assumption University (AU) and, especially this research paper, I wish to place on record my heartfelt gratitude and sincere thanks to all these individuals. .

First of all, I would like to express my sincere gratitude and deep sense of indebtedness to Dr. Maria Bella Bamforth Ph.D., my research advisor for her expertise, guidance, cooperation, and constant encouragement during the whole process of this thesis writing, as well as for editing the thesis manuscript.

I also acknowledge with sincere appreciation my statistician Ms. Sasi for her statistical expertise in data analysis.

I would also like to take this opportunity to thank Dr. Vorapot Ruckthum, Ph.D., the Dean of MSCP, who provided direction, as well as my thesis review committee for giving me directions, corrections, and valuable suggestions for improving my thesis.

My sincere thanks to all the staff at MSCP, the AU library, and the computer laboratory for providing the right information and for helping me to complete the necessary documentation and paperwork.

I would also like to thank Rev. Bro. Bancha Saenghiran, fsg. Ph.D., the President of Assumption University, who facilitated my admission and gave me an opportunity to study at AU.

I would like to thank and appreciate my Superior General, Sister Merin for her kind understanding and constant support during the period of my stay in Thailand.

My heartiest appreciation to my friends Sisters Anjali, Little Flower, and my classmates for their help and warm fellowship during this research.

My heartiest thanks and sincere gratitude to my beloved parents, sisters, and in-laws for their love, encouragement and prayers and to whom I dedicate this research paper.

Finally words are inadequate to express my wholehearted thanks to my loving God for giving me the wisdom, grace, and understanding to comprehend the intricacies of the task that was entrusted to me and draw input from the academic sources and translate that knowledge to understand myself better and subsequently knowing others in a better way, so as to make a harmonious living, wherever I may be.
