### The Scholars' Square

The Scholars' Square consists of three main buildings named St. Gabriel, St. Michael and St. Raphael, after Archangels. The four-story buildings are all connected and punctuated by seven gates with domed roofs. The classrooms in the three buildings overlook the Cathedral of Learning surrounded by fountains so the mind of students is enlivened by what they see. This design is to create an atmosphere conducive to learning, reflecting meditating and interiorising. The Office of the President is on the right side, and meeting rooms are on the left.
