

Dr. Virach Wongpaibool

St. Martin de Tours Award for Excellence in Performance (Third Class)

Citation:

Dr. Virach Wongpaibool joined Assumption University as a full-time lecturer in 2003 after obtaining his B. Eng. (Electrical Engineering) (2nd Class Hons.) from Chulalongkorn University in 1994 and M.S. (Electrical Engineering: Telecommunications) from Virginia Polytechnic Institute and State University in 1998 and Ph.D. (Electrical Engineering: Telecommunications) from Virginia Polytechnic Institute and State University, U.S.A. in 2003.

Throughout his service, Dr. Virach Wongpaibool has shown selfless devotion to the teaching profession. He has an excellent teaching performance based on the students' feedback. He comes to class on time especially morning classes although he needs to drive from his house in Bang Saen, Chonburi province. On teacher-student relation, he is very close to students. He gives strong encouragement to the students to apply their engineering knowledge into practice. He also initiates and participates in many student extracurriculum activities as an advisor.

For his hardworking and valuable contributions to the students, St. Martin de Tours Award for Excellence in Performance (Third Class) is conferred on Dr. Virach Wongpaibool in the Christmas Honours announced on December 21, 2007.
