AU AWARDS FOR EXCELLENCE

Philosophy and Objectives

“Those who have sacrificed their lives and time by their creative loyalty and positive contributions to the institution must be recognized, promoted and rewarded.” So wrote Rev. Prathip Martin Komolmas in the *Faculty and Staff Development Policies*, July 22, 1993.

The philosophical underpinnings of the AU Academic Awards were simply that good deeds and achievements must be recognized and awarded. The President had often expressed his wish to establish academic awards as incentives for the academic community. Evaluation of job performance for this purpose was undertaken. After a considerable length of time, the administrators decided to introduce the awards. These awards aim to both reward for past performances and encourage future efforts. As a reward, it demonstrates our belief that those selected have met and surpassed the standards of excellence for the award given. The awards are also meant to encourage future efforts of not only the reward recipients but others who may take note that they, too, will be recognized for superior performance. The AU Academic Awards are granted periodically to those who met the selection criteria.

Historical Background

One of philosophies of Assumption University is that good deeds and achievements done by any member must be recognized and awarded. The first conferment of awards was initiated in 1997 under the name **AU Academic Awards**. Only lecturers were nominated for these awards under six categories. Then, three-tier system of achievements (first, second, and third class with the first as the highest in each category) was announced in 1999 to take effect in 2000 (Au Academic Awards, December 24, 1999, p. 12). In the year 2000, the name of the awards was changed to **Au Awards for Excellence**. The purpose is to reward not only teaching staff but also the non-teaching staff who daily facilitate in the management and operation of the institution.

So far the awards committee is chaired by the President with Brothers in the University administration serving on the committee (Au Academic Awards, December 24, 1999, p. 12). The sole right and prerogative on selection of the awardees reside in the committee.

THE SIX AU AWARDS

Each award was named after an illustrious person found in Catholic Church history and also in memory of our predecessors who had worked long and hard to carry out their teaching mission. The general policies governing each award were laid down by the AU Academic Awards Committee in 1997. These policies are subject to review, re-interpretation and modification as may be called for. Except for the St. Montfort Award, the awards are given in three classes. The second and third class awards are meant to recognize mid-level and junior AU faculty and staff who have performed well above the norm as compared to their peer group. The awards are as follows:

St. Montfort Award

Illustrious Service Award

The St. Montfort Award was named after St. Louis Marie Grignon de Montfort (1673-1716), the founder of the Brothers of St. Gabriel. He is our spiritual master who walked before us toward the Living God. Following in his footprints, we can proceed on a path to union with God. The Brothers of St. Gabriel in Thailand consider him to be a model for a religious life and for their educative mission.

This award is given for faithful, dedicated and outstanding services rendered to the University by senior administrators whose career spans more than 25 years.

St. Michael Award

Public Service Award

(First, Second, and Third Class)

The award was named after St. Michael the Archangel, the protector of the people of God.

This award also honors the name of Brother Michael, one of the 13 French Brothers who moved from Thailand to India during World War II. He was appointed master of novices at Eachinkadu, Yercaud, South India, tasked with the training of a number of senior Brothers of the Province of Thailand.

The award comes in three classes and is given to University members who have provided academic and/or other significant services to society, and who have represented the University in academic and supporting activities that are acknowledged by the public. In so doing, they uphold and promote the University's reputation and stature.

**St. Hilaire Award
Distinction in Writing Award
(First, Second, and Third Class)**

This award was named after St. Hilaire who was born at the beginning of the fourth century at Poitiers in France. He was a bishop and Doctor of the Universal Church.

Brother Hilaire was one of the first five pioneering Brothers to arrive in Thailand in 1901. He was a well-known educator at Assumption College, Bangkok. He mastered the Thai language so well that he became an unparalleled Siamese Linguist. He wrote Thai language manuals; the first of which, *Darun Suksa*, was considered by all as the very best source for the learning of the Thai language.

The award comes in three classes and is designated for those who achieved distinction through academic writings in the form of articles and books.

**St. Martin de Tours Award
Excellence in Performance Award
(First, Second, and Third Class)**

St. Martin de Tours, for whom St. Martin de Tours Award is named, was a Roman soldier raised in Italy. Finding God, he converted to Christ and became an unwilling soldier. Later he was a disciple of Hilaire of Poitiers and, still later, became the Bishop of Tours.

The award was also named in memory of Brother Martin de Tours, one of the five Brothers who first entered Siam on October 20, 1901.

This award is designated for lecturers and administrators: who discharged their duties and responsibilities conscientiously and superbly: who exhibited high standards of efficiency, excellence and quality in teaching, counseling, and duties such as composition of test materials, framing of examination papers and other academic related factors.

The award is also for non-teaching staff who add to the University learning process.

**St. Bernard Award
Special Merit Award
(First, Second, and Third Class)**

The award was named after St. Bernard (1090-1153), an abbot and later named Doctor of the Church. He was a Cistercian monk. He wrote profusely and movingly concerning the Lord Jesus, spirituality, the Scriptures, and the Blessed Mother.

The award also recognized Brother Bernard Mary whose idea of adding a degree program to the existing Assumption Commercial College (ACC) program that eventually led to the establishment of ABAC and hence Assumption University.

This award is intended for University members: who exhibited special managerial skills; and who performed their tasks and assignments beyond the normal calls of duty such as initiating, restructuring or reengineering of programs for an office or department, or providing voluntary services for improving, upgrading systems and procedures, and participating in other artistic or scientific activities for the welfare of society.

**St. Thomas Aquinas Award
Research Award
(First, Second, and Third Class)**

The award was named after St. Thomas Aquinas in respect for his special talents that he devoted in full measure to the search for the Eternal Truth.

St. Thomas Aquinas was a great Dominican teacher (1225-1274). He traveled and wrote extensively. His two *Summas* should not obscure his other biblical, theological and philosophical writings. He dedicated his brilliant talents to the investigation of the sublime truth of God in the light of faith and the human intellect. He is the patron saint of all Catholic schools.

This award is given to those who contribute through their research to the promotion, enhancement or the reputation and prestige of the University. Their research should result in publications, patents and/or other innovative materials or feature.

ASSUMPTION UNIVERSITY ANTHEM

Lyrics by : Thomas Khng
Music by : Lian Sek Lin
Arranged by : Capt. Veeraphan Vawklang

From every corner of the land
We come to pursue truth
For integrity, and progress we stand
And learning's sterling worth
Up lifting virtue of mind and hand
With the glory of our youth.

We are the salt of the glorious earth
No task is too hard to do
For Assumption and the land of our birth
We remain ever loyal and true
For excellence in all realms of effort
We give Assumption its due.

Assumption is
the Light that leads
Our youth to knowledge sure
Ever mindful of all our needs
It brings us to learn-ing's shore
Ennobling our academic deeds
Making our
future secure!

GOD WILL MAKE A WAY

Words and Music by Don Moen

God will make a way where there seems to be no way.

He works in ways we cannot see.

He will make a way for me.

He will be my guide, hold me closely to his side, with love and strength for each new day.

He will make a way.

He will make a way.

By a road way in the wilderness he'll lead me and rivers in the desert will I see heaven and earth will fade but his word will still remain.

He will do something new today.

WE WISH YOU A MERRY CHRISTMAS

We wish you a Merry Christmas
We wish you a Merry Christmas

And a Happy New Year...

Good tidings to you wherever you are.
