

Asst. Prof. Dr. Chanintorn Jittawiriyankoon
Awarded St. Montfort Award for Illustrious Service

Citation

Assistant Professor Dr. Chanintorn Jittawiriyankoon has been serving as a full-time lecturer at Assumption University more than twenty five years. He received the Bachelor's degree in Electrical Engineering from Kasetsart University in 1984, and Master of Engineering and Doctor of Engineering degrees in Communication Engineering, under Japanese Ministry of Education's scholarship, from Osaka University, Japan in 1987 and 1990 respectively.

In 1999, he was conferred academic title position of Assistant Professor in Telecommunication Science, and in 2018 the Assistant Professor in Information Technology. His current research encompasses the realm of big data curation, computer vision, fast routing algorithm, queuing network analysis and high-speed-network performance evaluation.

Dr. Chanintorn is serving as the Dean of Graduate School of Advanced Technology Management and with his expertise and experiences in the disciplines of information system, technology management, and telecommunication, Assumption University has appointed him to assume various management positions, namely,

- Dean of Graduate School of Advanced Technology Management from May 2015
- Director, MBA (Technology Management) from February 2011 to April 2015
- Director, PhD (Computer and Information System) between 2006 and 2011
- Director, PhD (Telecommunication Science) and Chairperson between 1995 to 2006

Due to his outstanding services and dedication, Assumption University is pleased to award Assistant Professor Dr. Chanintorn Jittawiriyankoon St. Montfort Award for Illustrious Service on the auspicious date of December 24, 2020.
